This schedule is used to report those disbursements that are not "expenditures"; that is, monies paid by the campaign that are not paid for the purpose of supporting, opposing or otherwise influencing the nomination or election of a candidate to public office. Examples include the payment of taxes or the refund of contributions. Disbursements should be reported on this schedule only if they have not been reported elsewhere in this report. The explanation of the disbursement should state the reason the payment was made by the campaign.
